| Schedule: | Registration Sign-in | 8:00 a.m. – 8:45 a.m. |
| | Workshop Schedule | 8:50 a.m. – 1:00 p.m. |

Workshop Description: This free four-hour workshop, conducted by personnel from the U.S. Secret Service National Threat Assessment Center (NTAC), will focus on utilizing a proactive threat assessment approach to prevent incidents of targeted violence in K-12 schools. The following topics will be addressed:

- Identifying potential threats and students who may be exhibiting concerning behaviors
- Investigating and gathering information on the background and behaviors of concerning students
- Assessing whether students pose a threat of violence or other harmful behavior
- Developing risk management strategies and interventions
- Interactive case studies

****This is not training on responding to an active shooter situation****

Who Should Attend:

- School administrators
- School counselors & psychologists
- Teachers
- School resource officers
- School nurses
- Police investigators
- Mental health professionals
- All other school and law enforcement personnel who may potentially be involved in a risk detection/management position.

Registration: There is no registration fee for workshop and schools and law enforcement agencies are not limited as to how many they register. However, all participants must pre-register at:

<https://usaosctraining.org/NTAC19> by June 6, 2019.

Upon registration, participant will receive e-mail confirmation which will be required for admittance to the workshop. *Parking information will be e-mailed to registered attendees prior to workshop.*

**** E-mail Confirmation of registration is required for admittance to workshop on June 11, 2019 ****
