Coronavirus Emergency Supplemental Funding Program

I. Introduction

The Coronavirus Emergency Supplemental Funding (CESF) Program was recently authorized by Division B of H.R. 748, Pub. L. No. 116136 (Emergency Appropriations for Coronavirus Health Response and Agency Operations); 28 U.S.C. 530C to assist eligible states, local units of government, and tribes in preventing, preparing for, and responding to the coronavirus. A jurisdiction was determined to be eligible for direct CESF funding through the U.S. Department of Justice's Bureau of Justice Assistance (BJA) if that jurisdiction was identified as eligible for funding under the FY 2019 State and Local Edward Byrne Memorial Justice Assistance Grant (JAG) Program. As the State Administering Agency (SAA) for the JAG Program, the South Carolina Department of Public Safety's Office of Highway Safety and Justice Programs (OHSJP) has been designated by the BJA to administer South Carolina's allocation of CESF Program funds.

II. Funding Policy

Grants pay for 100 percent of project costs for a 12-month project period, from October 1, 2021 – September 30, 2022. There is never a guarantee of continuation funding for any program or project. Please note that, unlike the JAG Program, there is no Variable Pass-Through (VPT) requirement to locals for the CESF Program.

III. Eligible Applicants

The CESF Program is open to state agencies, local units of government, tribal governments, and non-profit agencies. A "local unit of government" is defined as any city, county, town, township or other political subdivision of a state.

In addition, the following points should be noted regarding local units of government:

- A. The term "units of local government" includes a town, township, village, parish, city, county, borough, or other general purpose political subdivision of a state, or a federally-recognized Indian tribal government that performs law enforcement functions (as determined by the Secretary of the Interior). A unit of local government also may be any law enforcement district or judicial enforcement district established under applicable state law with authority to independently establish a budget and impose taxes; for example, police departments, sheriffs' offices and public defender's offices are not eligible to apply directly, but would be the implementing agency for the grant. A city or county would be the legal applicant/recipient and manage grant funds on behalf of the implementing department or agency.
- B. State courts (courts of general jurisdiction) are eligible to apply for funds. However, local courts (magistrate and municipal courts) similar to police departments would have to apply through their local units of government.

- C. A solicitor's office, for grant purposes, is funded as an office within a lead county.

The lead county must meet the following requirements:

- a. Maintain the financial records for the grant
- b. Include the solicitor's office in its payroll records; and
- c. Include the financial records of the grants to the solicitor's office in its organization-wide audit.

- D. Information for the following individuals will be required on the Grant Application:

- a. Project Director – Implementing Agency/Department Head, or person involved in the daily operations of the project.
- b. Financial Officer - City or County Finance Director, or state agency Chief Financial Officer; and
- c. Official Authorized to Sign - Mayor, City or County Administrator, or state agency director

IV. Matching Requirement

The CESF Program does not require a match.

V. Guidelines for the Use of Grant Funds

A. Permissible uses of funds

Projects funded under the CESF Program must have a nexus to criminal justice and be utilized to prevent, prepare for, and respond to the coronavirus. Allowable projects and purchases include, but are not limited to, overtime, equipment (including law enforcement and medical personal protective equipment), hiring, supplies (such as gloves, masks, sanitizer), training, travel expenses (particularly related to the distribution of resources to the most impacted areas), and addressing the medical needs of inmates in state, local, and tribal prisons, jails, and detention centers.

While there are not specific priorities, projects that will have a lasting effect on Criminal Justice systems will be strongly considered for this round of funding. Examples include:

- Projects that reduce crowding in criminal or juvenile justice systems such as those that support technology solutions allowing proceedings to be completed virtually or provide electronic monitoring.
- Projects that facilitate social distancing by reducing the need for the public to visit law enforcement or other criminal justice facilities such as those that allow web based reporting or document requests.

- Projects that provide equipment or infrastructure that will outlast and continue to provide use beyond the end of the project period.

B. Expenditures which require prior BJA approval

There are no specific prohibitions under the CESF Program other than the unallowable costs that are identified in the DOJ Grants Financial Guide; however, the following items should be identified during application and appropriately justified as noted:

- **Individual items costing \$500,000 or more** – if the applicant intends to purchase an individual item that costs \$500,000 or more, those item(s) should be identified and thoroughly justified by the applicant. The OHSJP must apply for and receive written prior approval from BJA on behalf of the applicant for these items.
- **Unmanned Aerial Systems (UAS), Unmanned Aircraft (UA), and/or Unmanned Aerial Vehicles (UAV)** – if the applicant requests to purchase an UAS, UA, and/or UAV, Federal Aviation Administration approval must be obtained as outlined here: https://www.faa.gov/news/fact_sheets/news_story.cfm?newsId=22615. Documentation and justification related to these items should be included with the application. The OHSJP must apply for and receive written prior approval from BJA on behalf of the applicant for these items. Additionally, BJA is in the process of updating guidance to implement a recent Executive Order and OJP Order 2700.1 prior to granting any future approval requests for UAS/UA/UAV's. The OHSJP does not have an anticipated timeframe as to when this guidance will be released. For more information on OJP Order 2700.1 Policy on Funding Unmanned Aircraft Systems go to: <https://www.justice.gov/opa/pr/departments-justice-revises-policy-governing-grants-associated-foreign-made-unmanned-aircraft>

C. Prohibition of supplanting

Funds may not be used to supplant state or local funds but must be used to increase the amounts of such funds that would, in the absence of federal funds, be made available. The DOJ Grants Financial Guide defines supplanting as: to deliberately reduce state or local funds because of the existence of federal funds. For example, when state funds are appropriated for a stated purpose and federal funds are awarded for that same purpose, the state replaces its state funds with federal funds, thereby reducing the total amount available for the stated purpose. The DOJ Grants Financial Guide is located at the following website for your reference: https://www.ojp.gov/sites/g/files/xyckuh241/files/media/document/DOJ_FinancialGuide.pdf.

D. Unallowable uses of funds

There are no specific prohibitions under the CESF Program other than the unallowable costs that are identified in the DOJ Grants Financial Guide, located here: https://www.ojp.gov/sites/g/files/xyckuh241/files/media/document/DOJ_FinancialGuide.pdf.

Please note, CESF funds cannot be used as matching funds for other federal funding programs.

VI. Suspension or Termination of Funding

The SAA may suspend (in whole or in part), terminate funding for, or impose another sanction on a subgrantee for any of the following reasons:

- A. Implementing substantial program changes to the extent that, if submitted originally, the application would not have been approved for funding.
- B. Failure to submit reports (programmatic and/or financial) in a timely manner.
- C. Filing a false certification in this application or other report or document.

VII. Application Criteria and Funding Review Process

All grant applications must be completed using the OHSJP's web-based grants management system, "SCDPS Grants." SCDPS Grants can be accessed at <https://www.scdpsgrants.com/>, as well as through the South Carolina Department of Public Safety website at <http://www.scdps.sc.gov/ohsjp/>. All applications will be reviewed equally by the OHSJP staff to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. **Late applications will not be accepted.**

Applications are carefully reviewed to ensure that only projects with a significant chance of success are funded. The OHSJP staff use the following criteria in the development of funding recommendations for the South Carolina Public Safety Coordinating Council.

A. Documentation of need

- 1. Program Definition - Any funds requested must be for the implementation of a program designed to prevent, prepare for, and respond to the coronavirus.
- 2. Project Impact - The program should be designed to address the problems and needs of the area to be served. An analysis of how these problems could be improved through the project should be shown.
- 3. Budgetary Review - Each application will be reviewed to ensure budgetary items are reasonable and costs are allowable.
- 4. Project Feasibility - Applicants should describe sufficiently and clearly how the project will be implemented.
- 5. Project Evaluation - Simple, specific, and measurable objectives should be presented, and each objective must be matched with a performance indicator. The performance indicators describe how the grant's objectives will be documented or monitored. Evaluation measures the effectiveness of your program by comparing your objectives with actual accomplishments.

- B. Geographical areas of greatest need
- C. Jurisdictions with limited resources
- D. Current or past grant performance
- E. Probability of success
- F. Effective utilization of resources
- G. Requested grant amount
