Please explain how these funds will be used to provide a public benefit:

The Abbeville County Sheriff's Office will use these funds to make needed repairs and updates to the County Detention Center. The above repairs and updates as listed in the annual SCDOC inspection of the facility. All of the Listed expenditures are to replace or update original equipment that was installed when the facility was constructed in 2003. Many of these items do not meet the SCDOC standards for inmate welfare or Officer safety. 1. plumbing in the facility has numerous unoperational toilets and poses a housing constraint due to this fact. 2 HVAC systems are inconsistent in operation and require constant repair to maintain operation, this poses a inmate welfare concern. 3. Flooring through out the detention center is damaged and loose creating officer safety concerns due to the fact the peices of the damaged flooring could be used as a improvised weapon. 4. Sally port Doors are currently inoperable and inmates can note be safely confined during transports, multiple escape attempts have been documented due the the lack of sally port containment. 5. Cell lighting throughout the facility are in disrepair due to inmate damage over time. Current cell lighting does not meet minimum standards.
