Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

The funds in this pass-through account are earmarked for brick and mortar construction costs for our new regional law enforcement training facility. Grading and preparing the site has been more problematic than expected, and will now be done at the same time as construction of our new jail, which has a groundbreaking date of 6.6.24. The combined effort will result in a better overall site preparation for building and a level, uniform campus.

Expenditure Certification

T	ne	Organization certi	s that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.
