Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

The funds in this pass-through account are earmarked for brick and mortar construction costs for our new regional law enforcement training facility. Grading and preparing the site has been completed, and construction will take place at the same time as construction of our new jail. The combined effort will result in a level, uniform campus. Architectural renderings are nearly complete for this building.
