This One-Time Appropriation Funding was awarded in September 2023. After all award documents were signed and submitted, approvals were received and the budget was established in November 2023. There has been some delay in orders due to supply shortages. We're in the process of approving MOU's, collecting data and purchasing supplies/equipment. We would like to request an extension until June 30, 2025 to expend all funds awarded for the Rehabilitation and Reentry program of our residents.

### Expenditure Certification

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.
