Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation
100x100 training facility building	\$400,000.00	Will house training spaces and materials for all local law enforcement
Clearing/lot preparation	\$50,000.00	Grading/clearing lot for training facility
Foundation	\$125,000.00	Construction of hurricane-resistant base for facility
Interior construction	\$225,000.00	Interior rooms/permanent features of training facility
Doors and windows	\$50,000.00	Handicapped accessible ingress/egress, energy efficient windows
Accessories	\$50,000.00	Furniture, training equipment
Tech equipment	\$100,000.00	Technology required for presentations/training/testing
Grand Total	\$1,000,000.00	

Please explain how these funds will be used to provide a public benefit:

The Georgetown County Sheriff's Office proposes to build a 10,000 square foot training center located on Browns Ferry Road adjacent to the county's new Detention Center. The training center would consist of training rooms, bathroom/locker facilities, a shooting simulator, training office, kitchen/eating area and the updated technology to conduct training. This facility would be in a safe and secure area but away from the operations of the Sheriff's Office and the storage of law enforcement sensitive materials and areas. The proposed center would allow for larger classes to be held and enhance the Sheriff's Office ability to attract training for all law enforcement agencies in the area. The location is centrally located for area law enforcement agencies and is an hour's drive or less for Georgetown Police Department, Andrews Police Department, Pawleys Island Police Department, Surfside Police Department, Conway Police Department, Horry County Police Department, Horry County Sheriff's Office, Williamsburg County Sheriff's Office, Berkeley County Sheriff's Office, and Florence County Sheriff's Office. This new training center will provide proper training for the Georgetown County Sheriff's Office and regional law enforcement agencies, which in turn enhances the professionalism and knowledge of law enforcement officers, reduces liability for the office and officers, increases trust of law enforcement by the public and allows the sheriff's office to remain an accredited agency. The Georgetown County Sheriff's Office does not have the funding to implement this project, with current tax base budgeting going to funding salaries and operations. However, this technology upgrade, expansion of training capacity, and move away from Sheriff's Office HQ is vital to our continuing success and improvement.
