Turn90 is a community-based organization with centers in Charleston and Columbia, South Carolina. Turn90 works with men returning home from prison who are at the highest risk of arrest. The program is pioneering in its approach. It combines behavioral classes, one-on-one counseling, on-site transitional employment, and job placement to offer a proven model of prison re-entry with a 78% success rate. A giant step away from the traditional charity-based re-entry model of providing basic needs services, Turn90 focuses on equipping people with critical social, emotional, and workforce development skills and access to living wage employment. It creates a path to success after prison where one doesn't currently exist. These funds will directly support the operations of two current centers and infrastructure building staff whose roles are essential to replication and part of the strategic plan to open a third center in the Upstate region.

On July 1, 2022, the General Appropriations Act became effective, providing the revenue for State government to meet its budgetary expenses for fiscal year 2022-2023. This year's budget included allocations to the South Carolina Department of Public Safety ("SCDPS") reserved as one-time appropriations to outside organizations. The table below indicates the funds which have been allotted in our agency's budget for your organization.

<u>Agency Receiving Contribution/ Project</u>	<u>Amount</u>

These requirements mandate that, prior to the release of funds, a recipient organization must (1) provide a plan of how the state funds will be spent and (2) describe how the expenditures will provide a public benefit. After receiving the funds, the organization shall provide quarterly spending updates to the respective state agency. After all state funds have been expended, the organization shall further provide an accounting of how the funds were spent. Additionally, the proviso forbids the disbursal of funds to organizations or purposes which practice discrimination against persons by virtue of race, creed, color or national origin.

Furthermore, Executive Order 2022-19 requires all information submitted by your organization be published on the SCDPS website. This information will also be shared with the Executive Budget Office ("EBO"), the Chairman of the Senate Finance Committee, and the Chairman of the House Ways and Means Committee. Please utilize the attached EBO forms to compile the information your organization submits.
