WHAT TOPICS WILL BE COVERED?

The South Carolina Department of Public Safety's Office of Highway Safety and Justice Programs (OHSJP) is pleased to announce a combined workshop for Criminal Justice, Juvenile Justice and Highway Safety* grant programs for projects which will begin in Calendar Year (CY) 2023.

Additionally, the new state-funded Body Armor Assistance Grant Program will be covered during the morning Justice session, and the state-funded Body-Worn Camera and In-Car Video Camera Programs will be covered during the afternoon Highway Safety session.

Attendees will receive information regarding the application process, due dates (where known), funding priorities, allowable costs, and tips for successful grant writing.

HOW DO I APPLY?

Visit the OHSJP website at www.scdps.sc.gov/ohsjp for links to program pages, which will contain Funding Guidelines/Solicitation documents and other resources as solicitations are released. Refer to each program page for information on how to apply.
